## Message To Parents:

For the safety of your child, we are asking parents to bring their children directly to the teaching area where their teacher will be waiting for them and then personally pick up your child and "sign them out" personally at the end of V.B.S. at 11:30 a.m.

Maps and signs inside the building will help parents remember where their child's class is located.

If parents wish to have their child escort him/herself out of the building at the end of VBS, they can indicate that desire on the registration form on the back of this invitation.

Theme-related refreshments will be served each day, so if your child has dietary restrictions or limitations, please indicate those details on the registration form.

THERE IS NO CHARGE for our Vacation Bible School. Saint James offers the VBS to the community the way God offers salvation to our world—freely. If parents wish to help contribute to the cost of materials, T-shirts, buttons, arts and crafts and refreshments, they are certainly welcome to do so, but it is not required.

It is our custom to gather a "mission offering" on Thursday of VBS, which we will share with a mission that serves the needs of children. A letter will be sent home on Wednesday explaining this year's mission project, if families wish to have their children participate in it. No pressure will be put on the children to participate.

Our prayer is that Vacation Bible School will help children realize that God wants them to know the mystery of His love which He reveals through Jesus Christ, the World's Best Friend. Thank you for filling out the registration form completely so we can serve your child's spiritual welfare in a safe, fun-filled, exciting atmosphere.
