WILL YOU PLEASE HELP?

We want to make sure we have enough teachers and teachers' assistants to properly cover the children we hope will attend V.B.S. this summer. Are you free to help in some way, as a teacher,

a helper, a prayer-partner, etc.? Please look at the opportunities on the reverse side of this sheet and please "plug in" where you can help.

Saint James V.B.S. is a dramatic summer outreach effort of our congregation. We will mail invitations to all of our previous V.B.S. students and our current Sunday School students.

In addition, we hope to hand out 2000 invitations in the neighborhood. Some families start calling us in April to plan their summer vacations around it. You can help with this exciting community event. Will you find your niche and "plug in"? **Thank you!**
